PLATINUM NATIONAL TEAM - BROOKDALE SENIOR LIVING

BROOKDALE SENIOR LIVING

Why We Walk: As a leading provider of senior living, Alzheimer's and memory care in the United States, we see the impact of Alzheimer's disease on our residents, associates, and their families every day. Fighting to find a cure for Alzheimer's and supporting seniors and their caregivers impacted by this disease closely aligns with Brookdale Senior Living's mission and culture.

We know that there are two critical issues related to Alzheimer's--fighting to find a cure, and supporting the residents and their families who are impacted by this terrible disease. Brookdale Senior Living has always been a strong supporter of the Alzheimer's Association Walk to End Alzheimer's, and we are again a Platinum National team in 2012. Please join this nationwide effort as we make a difference in the lives of those living with Alzheimer's.

Bill Sheriff, CEO, Brookdale Senior Living

Tip: Be sure to identify company or organization name as part of your team name when you start a team. Detailed registration instructions can be viewed here.

Walk Registration - No Fee
Although there is no registration fee for this event, we encourage all of our walkers to make a personal donation and raise money for the cause. Raise \$100 or more and receive an official Walk t-shirt.

Virtual Walk Registration - No Fee
I can't be there in person but want to contribute to the vision of a world without Alzheimer's.

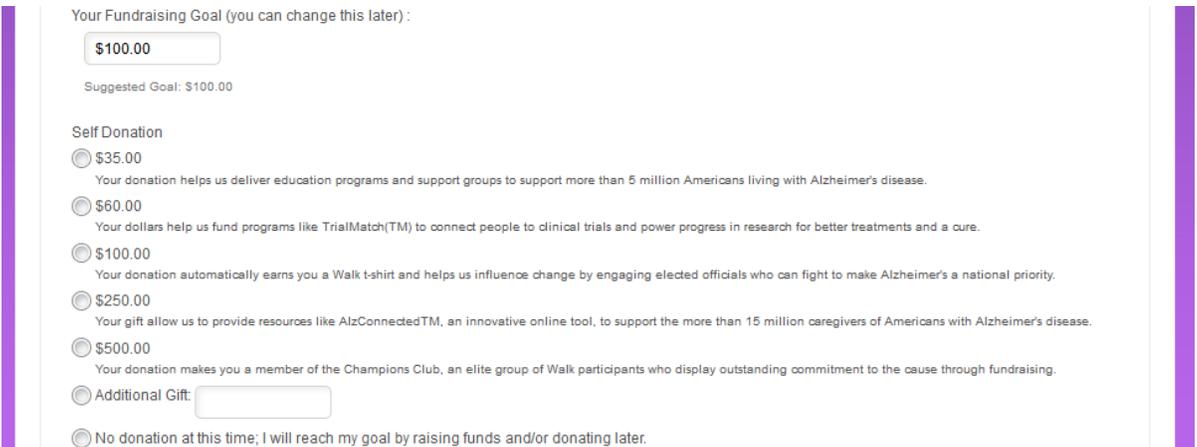

Next, set a fundraising goal for yourself. This can be edited later from your Walk participant center.

Your Fundraising Goal (you can change this later):

Suggested Goal: \$100.00

And then kick off your fundraising by making a donation to your walk. Participants who donate to themselves raise twice as much as participants who don't, so this is an important step.

Your Fundraising Goal (you can change this later):

Suggested Goal: \$100.00

Self Donation

\$35.00
Your donation helps us deliver education programs and support groups to support more than 5 million Americans living with Alzheimer's disease.

\$60.00
Your dollars help us fund programs like TrialMatch(TM) to connect people to clinical trials and power progress in research for better treatments and a cure.

\$100.00
Your donation automatically earns you a Walk t-shirt and helps us influence change by engaging elected officials who can fight to make Alzheimer's a national priority.

\$250.00
Your gift allow us to provide resources like AlzConnectedTM, an innovative online tool, to support the more than 15 million caregivers of Americans with Alzheimer's disease.

\$500.00
Your donation makes you a member of the Champions Club, an elite group of Walk participants who display outstanding commitment to the cause through fundraising.

Additional Gift:

No donation at this time; I will reach my goal by raising funds and/or donating later.

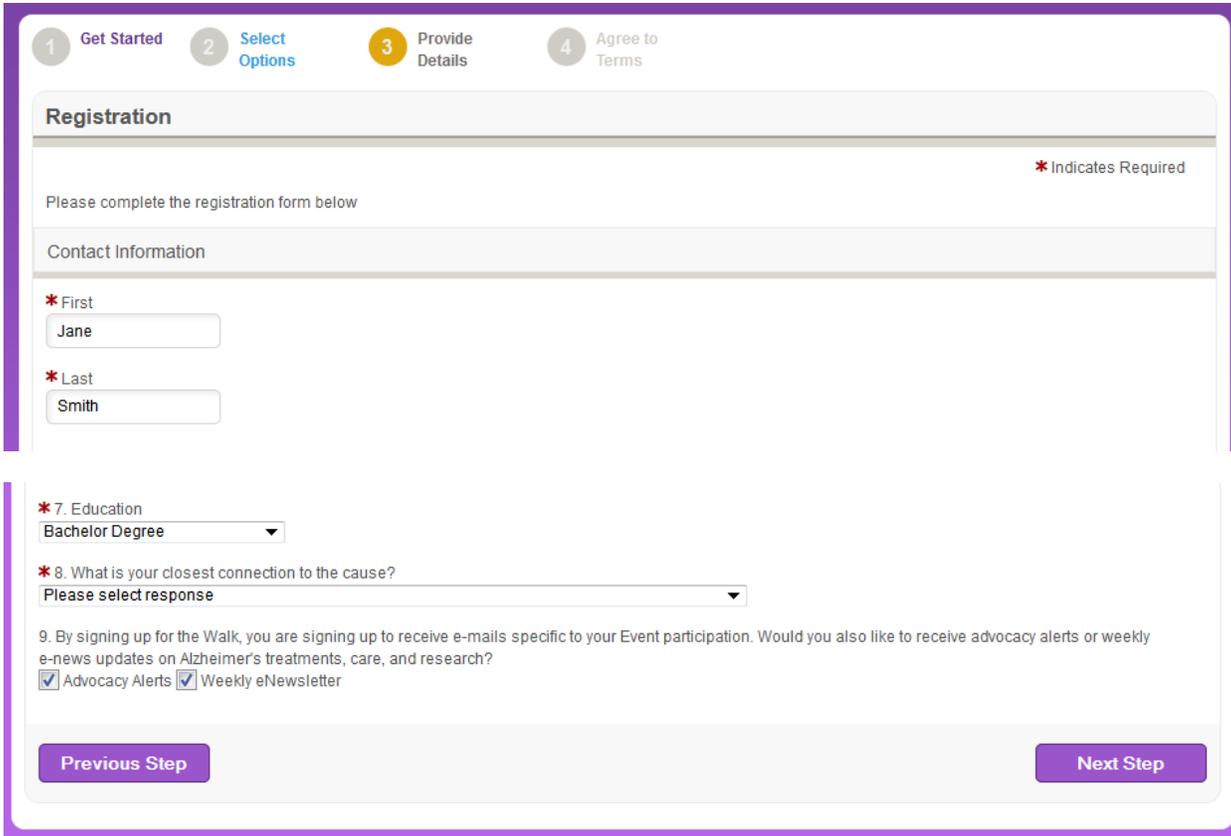

Finally, check off this box if you are going to be captain for your reformed team, and then click next step.

Would you like to be the Captain of this team?

Yes, make me the Captain of this team

Next, you will register for the event.

The screenshot shows a registration form with a progress bar at the top. The progress bar has four steps: 1. Get Started, 2. Select Options, 3. Provide Details (highlighted in yellow), and 4. Agree to Terms. Below the progress bar is a section titled "Registration" with a sub-header "Contact Information". The form contains several fields: a text input for "First" (filled with "Jane"), a text input for "Last" (filled with "Smith"), a dropdown menu for "7. Education" (set to "Bachelor Degree"), and a dropdown menu for "8. What is your closest connection to the cause?" (set to "Please select response"). Below these is a question about receiving e-mails, with two checked checkboxes: "Advocacy Alerts" and "Weekly eNewsletter". At the bottom of the form are two buttons: "Previous Step" and "Next Step".

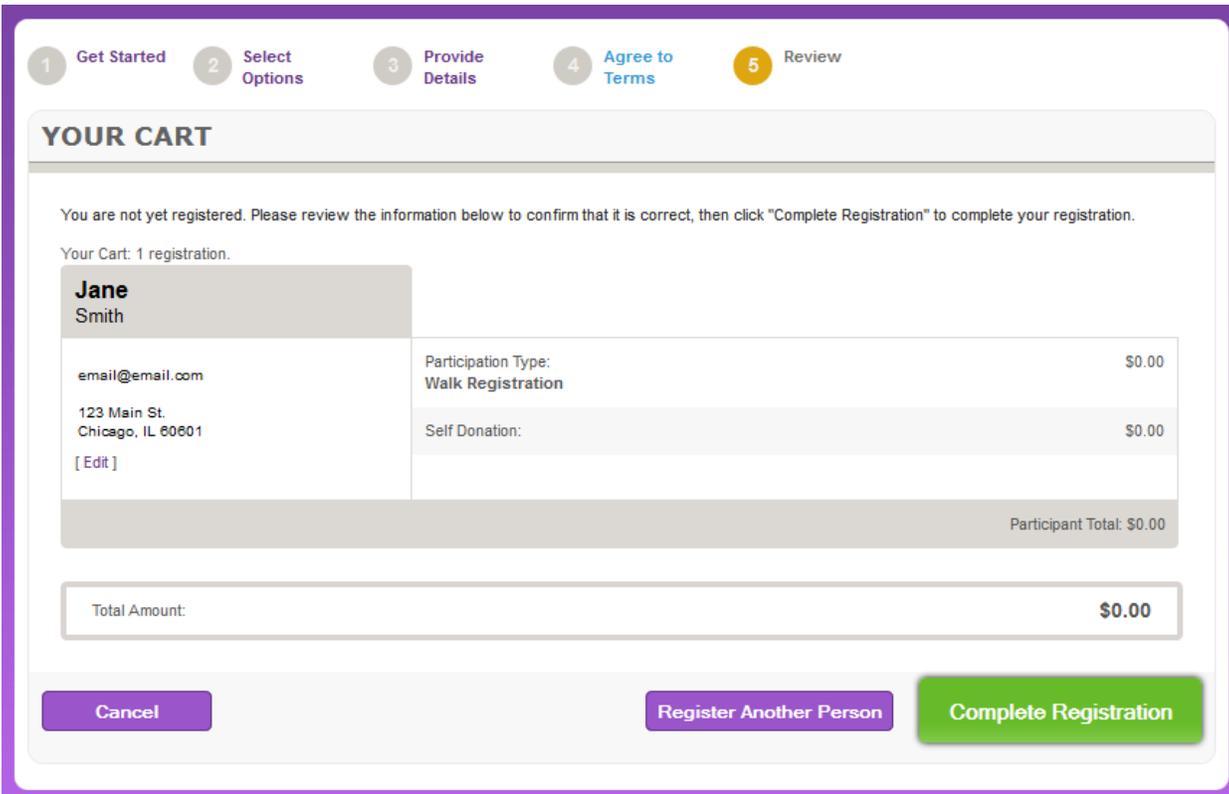

You are now required to fill out your information in order to register. In order to understand, measure and ultimately better serve our diverse populations, we track demographics within our walk registration forms. Please note that the option "I prefer not to answer" is an option.

The screenshot shows a waiver form with a text box containing the text: "I am the legal guardian of Participant, and I hereby consent to his/her participation. I have read the foregoing agreement, and I hereby agree on behalf of myself and Participant to its terms." Below this text box is a checkbox labeled "I agree with the terms and conditions above." At the bottom of the form are two buttons: "Cancel" and "Next Step".

Each walk participants must agree to the waiver.

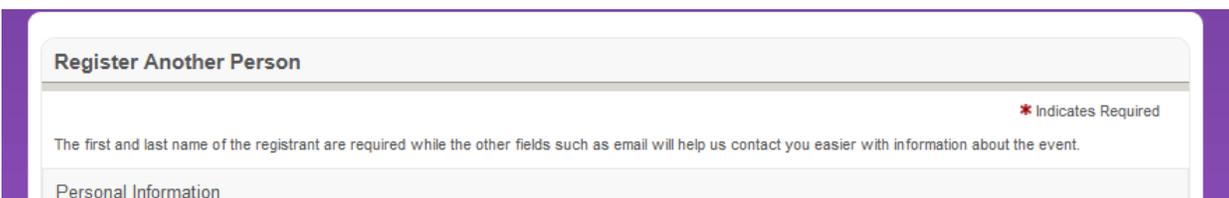

You will be taken to a screen to review your registration. Note, you are not registered yet. You need to review the information, the click “Complete Registration” to complete your registration.

The screenshot shows a registration review page titled "YOUR CART". At the top, there is a progress bar with five steps: 1. Get Started, 2. Select Options, 3. Provide Details, 4. Agree to Terms, and 5. Review (highlighted in yellow). Below the progress bar, a message states: "You are not yet registered. Please review the information below to confirm that it is correct, then click 'Complete Registration' to complete your registration." The cart contains one registration for "Jane Smith". Her contact information is listed as "email@email.com" and "123 Main St. Chicago, IL 60601" with an "[Edit]" link. The registration details show "Participation Type: Walk Registration" for \$0.00 and "Self Donation:" for \$0.00. A "Participant Total: \$0.00" is shown at the bottom right of the cart. Below the cart, a "Total Amount:" field displays "\$0.00". At the bottom of the page, there are three buttons: "Cancel", "Register Another Person", and "Complete Registration" (highlighted in green).

Also take note that by re-forming your team, all of your teammates will also need to register. If you want to register them, you can click “Register Another Person”.

However, we highly recommend that you go into your participant center and email your past teammates a recruitment email (we have templates for you) asking them to join your team. By registering themselves, they have the opportunity to update their information and use their usernames/passwords so they also have access to their past emails, website text. Etc.

The screenshot shows the "Register Another Person" form. At the top, there is a title "Register Another Person" and a note: "* Indicates Required". Below this, a message states: "The first and last name of the registrant are required while the other fields such as email will help us contact you easier with information about the event." The form is divided into sections, with the first section titled "Personal Information".

When registering friends and family we strongly recommend using different email addresses. If you use the same email address for multiple registrants, that email address will receive emails for each registrant.

Once again, you will be taken to a screen to review your registration. Note, you are not registered yet. You need to review the information, then click “Complete Registration” to complete your registration.

Agree to Terms, 5. Review, and 6. Make Payment. Below the steps, there is a section titled 'Join or Form a Team'. A message box says 'RETURNING USERS, LOG IN FIRST!' with a note: 'Note: To reactivate your team from last year, you must be signed in.' Below this, there are two input fields: 'Team Name' with the value 'New' and 'Team Company' with a dropdown menu showing 'Choose an existing company'. A blue button labeled 'Search for a Team' is to the right. Below the search fields is a 'Search Results' section. It shows 'Records 1 - 1 of 1' and 'Sort By:' with a dropdown arrow. A single team result is displayed: 'My New Team'. The team captain is 'Noel Beebe' and the company is 'Alzheimer's Association Staff and Friends'. A green 'Join' button is highlighted with a red rectangle. At the bottom of the page, there are two links: 'I would like to start a new team' and 'I would like to participate as an individual'.

If you are looking to join an existing team you can search using the search box or can just leave it blank and click “search for a team” to bring up a list all teams. After the search is complete the list can be sorted by name, division or company. Once the team has been found the participant can click “join” in the far right column.

The Participation Type Selection:

The screenshot shows the 'Participation Options' page. At the top, there are six numbered steps: 1. Get Started, 2. Select Options, 3. Provide Details, 4. Agree to Terms, 5. Review, and 6. Make Payment. Below the steps, there is a section titled 'Participation Options'. A message box says '* Participation Options' with a note: '* Indicates Required'. Below this, there are two radio button options: 'Walk Registration - No Fee' and 'Virtual Walk Registration - No Fee'. The 'Walk Registration - No Fee' option is selected and highlighted with a yellow border. The description for 'Walk Registration - No Fee' is: 'Although there is no registration fee for this event, we encourage all of our walkers to make a personal donation and raise money for the cause. Raise \$100 or more and receive an official Walk t-shirt.' The description for 'Virtual Walk Registration - No Fee' is: 'I can't be there in person but want to contribute to the vision of a world without Alzheimer's.'

-  **Update Your Personal Page**
 One of the best ways to get others to support you is to tell a story about why you're walking. Whether it's to honor a person living with Alzheimer's, support a caregiver, or just to have fun with your company or community, write about it on your personal page and share it with others.
-  **Send Emails to Your Contacts**
 You can use the e-mail tools here in the participant center to import your contacts and send e-mails and track donations you received as a result of your emails. Or, if you'd prefer, you can use your own e-mail client and paste in your personal page URL: http://fact.alz.org/site/TR/Walk/AL-AlabamaFloridaPanhandle?px=7599823&pg=personal&fr_id=3110. Edit your personal URL >
-  **Get Social**
 Spread the word about Walk by posting a link to your page on Facebook, Twitter, and Linked In.
