AMY HARROD'S WALK PAGE

Edit My Page >

I'm walking to help reclaim the future for millions. By participating in the Alzheimer's Association Walk to End Alzheimer's®, I'm committed to raising awareness and funds for Alzheimer's research, care and support. I walk for Marlow.

Currently, more than 5 million Americans have Alzheimer's and that number is expected to grow to as many as 16 million by 2050. Our future is at risk unless we can find a way to change the course of this disease.
