## Main page

From [alz.org/walk](http://alz.org/walk) you can search for a walk via the:

**Walks Near You** section that uses a technology called “Geolocation”. When you arrive on the site, you will be prompted to share your location. This location is based on the IP Address of your Internet Service Provider, GPS or cell data. By sharing your data, the website can quickly show you the five walks closest to you.

**‘Find a Walk’ Map** if you want to search via state.

**‘Find a Walk’ Zip Code Search** if you want to search via your zip code.

The screenshot shows the main page of the Walk to End Alzheimer's website. The header features the logo and navigation links: Register, Donate, Teams, and About Walk. A welcome message for 'Susan' is displayed with a link to 'Visit Your Participant Center'. The main banner reads 'WE ALL HAVE A REASON TO END ALZHEIMER'S' with a 'Find A Walk near you' button. Below the banner, there are three sections: 'FIND A WALK' with a map and search filters, 'WALKS NEAR YOU' with a list of local walks, and 'DONATE' with a form to find and donate to a participant. A sidebar on the right includes social media links and a 'Share' button.

## Join Us

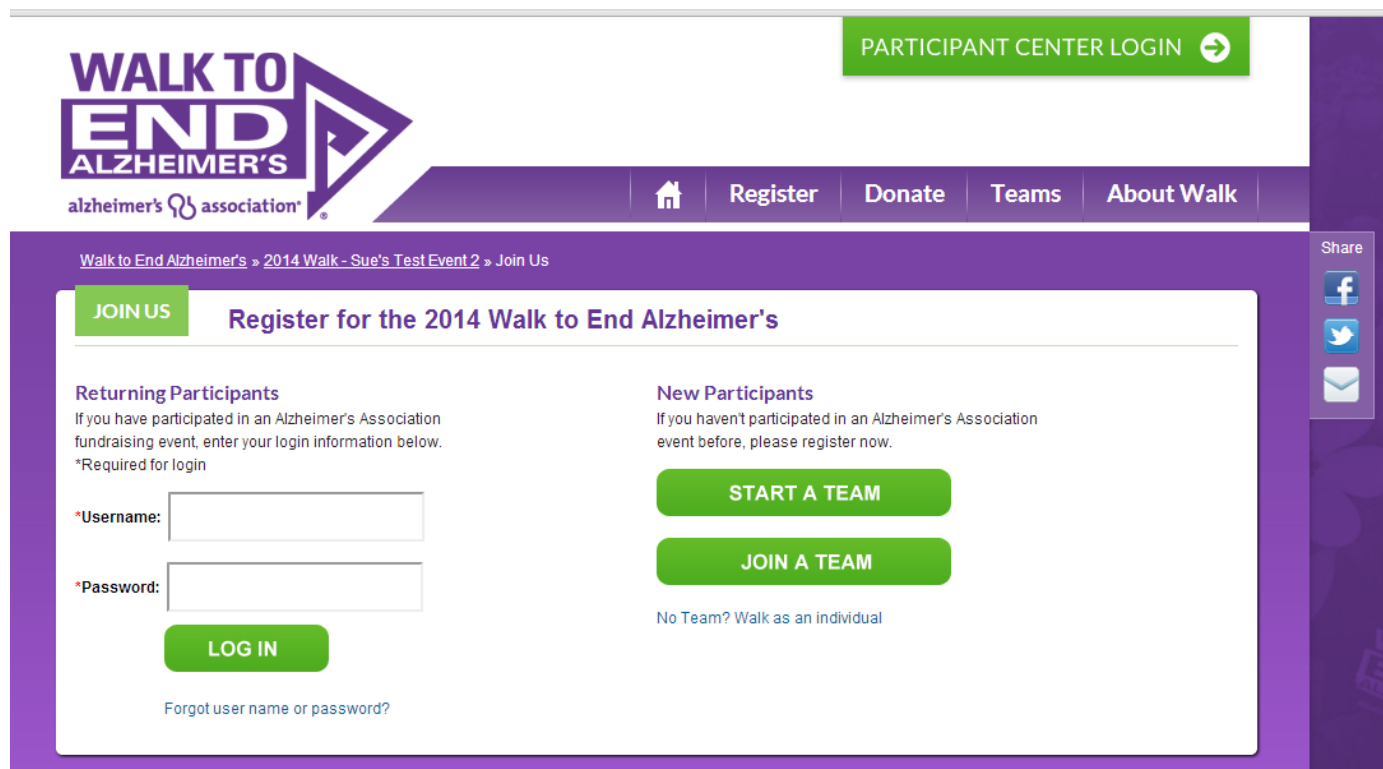

If you are a **New Participant**, WELCOME! And now you have the opportunity to:

- Start a Team – proceed to Page 6
- Join a Team – proceed to Page 7
- Walk as an Individual – proceed to Page 8

If you are a **Returning Participant**, use your username and password to log in. Not only will your registration form auto-fill to make your registration a breeze, but you will also have access to your past Walk information like: address books, participant page photos and text, donor history, and if you are restarting your team, past team member email addresses so you can quickly recreate your team in 2014.

If you can't remember your login, click the 'Forgot user name or password?' link to have your username and password emailed to you. Are you responding to a recruitment email? Your username was probably sent to you, so you're halfway there!

Enter your login information and click "Log In."

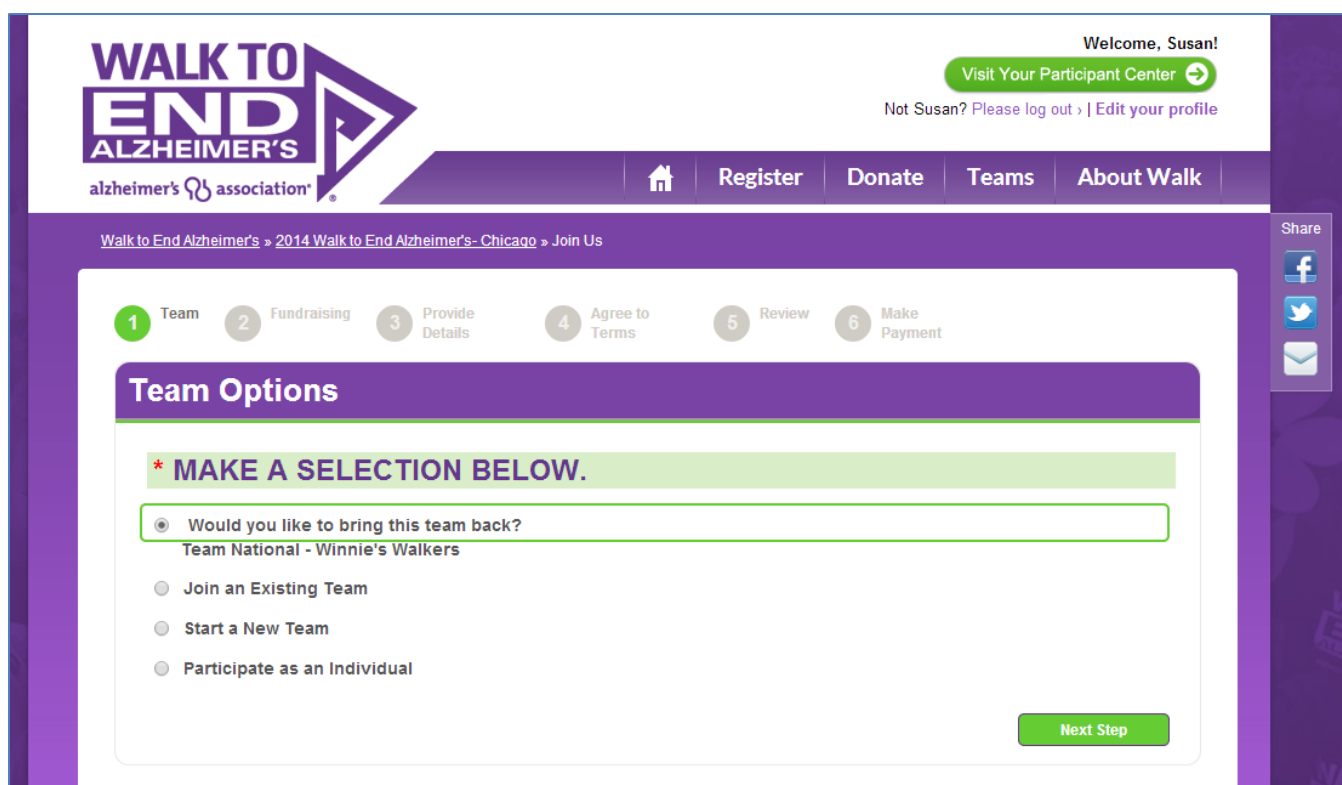

The screenshot shows the 'PARTICIPANT CENTER LOGIN' page. At the top left is the 'WALK TO END ALZHEIMER'S' logo. To the right is a green button labeled 'PARTICIPANT CENTER LOGIN' with a right arrow. Below the logo is a navigation bar with links: Home, Register, Donate, Teams, and About Walk. The main content area has a purple header with the text 'Walk to End Alzheimer's » 2014 Walk - Sue's Test Event 2 » Join Us'. Below this is a 'JOIN US' button and the title 'Register for the 2014 Walk to End Alzheimer's'. The page is divided into two columns. The left column is for 'Returning Participants' and contains fields for '\*Username:' and '\*Password:', a 'LOG IN' button, and a link 'Forgot user name or password?'. The right column is for 'New Participants' and contains a 'START A TEAM' button, a 'JOIN A TEAM' button, and a link 'No Team? Walk as an individual'. On the far right, there is a 'Share' section with icons for Facebook, Twitter, and Email.

## Returning Participants

Once you log in you will be taken to a screen where you can select your team affiliation. Select one of the choices below to continue your registration:

- Re-start your team from last year – proceed to Page 6
- Start a New Team – proceed to Page 6
- Join an Existing Team – proceed to Page 7
- Walk as an Individual –proceed to Page 8

The screenshot shows the registration interface for the Walk to End Alzheimer's. At the top, the logo is on the left, and a welcome message "Welcome, Susan!" is on the right with a "Visit Your Participant Center" button. Below this is a navigation bar with links: Home, Register, Donate, Teams, and About Walk. A breadcrumb trail reads: "Walk to End Alzheimer's » 2014 Walk to End Alzheimer's- Chicago » Join Us". The main content area has a progress bar with six steps: 1. Team (active), 2. Fundraising, 3. Provide Details, 4. Agree to Terms, 5. Review, and 6. Make Payment. The "Team Options" section is highlighted with a purple header. It contains a green box with the text "MAKE A SELECTION BELOW." and a list of radio button options: "Would you like to bring this team back?" (selected), "Team National - Winnie's Walkers", "Join an Existing Team", "Start a New Team", and "Participate as an Individual". A green "Next Step" button is at the bottom right of the form.

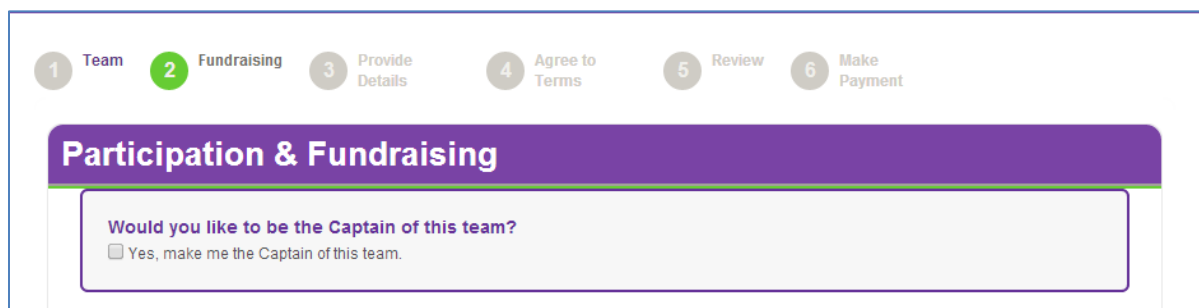

If you were a member of a team last year and are the first person from this team signing up, you will have opportunity to bring this team back.

## Re-start a Team:

You can re-start a team from last year if you are registering for the same Walk where you participated last year, and were a member of the team last year (any member of the team can re-start the team, not just the Team Captain). If you are charged with re-starting a team you did not participate on last year, please contact your local chapter for assistance.

If you choose to bring back your team, your team will retain the same team name and goal from last year (Team Captains can update this in the Participant Center if desired).

On the next page, you are given the opportunity to become the Captain of this team in 2014. If you don't choose to be a captain your team will be "captain-less" until someone accepts the captain position.

The screenshot shows a multi-step process for joining a team. At the top, a progress bar indicates six steps: 1. Team (active), 2. Fundraising, 3. Provide Details, 4. Agree to Terms, 5. Review, and 6. Make Payment. The main section is titled 'Team Options' and contains a green banner with the instruction '\* MAKE A SELECTION BELOW.' Below this, the 'Join an Existing Team' option is selected with a radio button. The form includes a 'Team Name' field with the text 'Sue's Walkers', a 'Team Company' dropdown menu with the text 'Choose an existing company', and a 'Search for a Team' button. Below the search fields is a 'Search Results' section. It shows 'Viewing 1-1 of 1' with 'Previous' and 'Next' links. A 'Sort By:' dropdown menu is present. The search results list one team: 'Sue's Walkers'. Below the team name, it shows 'Team Captain: Susan Sandvick' and 'Company: None'. A green 'Join' button is located to the right of the team information. At the bottom of the results section, it says 'Viewing 1-1 of 1' with 'Previous' and 'Next' links.

After the search is complete the list can be sorted by name, division or company. Once the team has been found, click “join” in the far right column.

### Waiver

[Printable Version](#)

Please take a moment to read the following waiver.

**ASSUMPTION OF RISK, RELEASE AND PERMISSION**

Walk to End Alzheimer's® involves walking - an activity which may include risks such as, but not limited to, falls, interaction with other participants, effects of weather, traffic and conditions of the road. In consideration of being allowed to participate in this event, I hereby expressly assume all risks, including bodily and personal injury, death, property loss or other damages of any kind arising in any way out of my attendance or participation in the Walk to End Alzheimer's and related activities.

It is my responsibility to dress appropriately. Although route maps, rest stops, refreshments, and other assistance may be made available during this event, I am solely responsible for my own health and safety. I represent that I am physically fit and able to attend or participate in this event.

I hereby for myself, my heirs, executors and administrators, release, discharge and agree not to sue Alzheimer's Association, its chapters, their respective officers, directors, volunteers, employees, sponsors and agents, from any and all liability, claims, demands and causes of action whatsoever, arising out of my participation in or attendance at this event and related activities whether resulting from the negligence of any of the above or from any other cause.

## Register Another Person:

If you want to register a child or family member, click “Register Another Person”. However, if you would like to register additional teammates, we highly recommend that you invite them to register themselves (you can use one of the e-mail templates provided to you in your Participant Center). By registering themselves, they have the opportunity to accept the waiver terms, update their information, and log in with their own username/password so they also have access to their past donors, emails, website text, etc.

When registering family members, we strongly recommend using unique email addresses for each person. If you use the same email address for multiple registrants, that email address will receive emails for each registrant. If you are registering a child, you may leave the e-mail address field blank.

## Submit Payment

If you made a donation during registration, you will be taken to a payment page to complete your transaction.

Take note that donations made during the registration process can only be credited toward your own fundraising goal. If you want to donate toward another team or participant, we suggest that you complete your registration, then make an additional donation on that team's or participant's page.
