

What does it mean to Re-Start a Team?

Walkers from last year's Walk to End Alzheimer's event who registered online may return to the website this year and "Re-start a Team." This means that you can re-claim your team name, address book with all team contacts, and team page content from last year. Note: Your team members will still have to register again this year.

Troubleshooting for Re-Starting a Team

To re-start a team, you must:

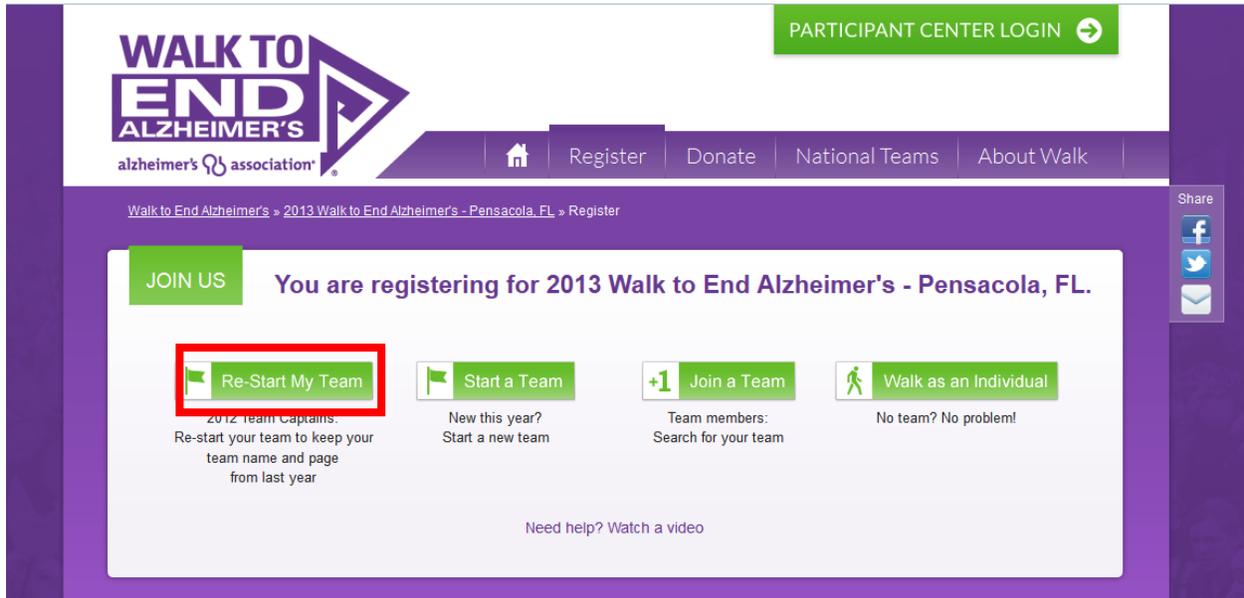

1. Sign up for the same event location as you did in 2012
2. Be a member of the 2012 team you want to re-start
3. Use the same username/password that you used for the registration of said team

How to Re-Start your team:

From Greeting Page Click Register

If you are going to be at the Walk event, leave the participant type as “Walk Registration”, however, if you can’t make the event but would still like to raise funds to support the Walk to End Alzheimer’s, chose the “Virtual Walk Registration”.

The screenshot shows a registration process with six steps: 1. Get Started, 2. Select Options, 3. Provide Details, 4. Agree to Terms, 5. Review, and 6. Make Payment. Step 2 is highlighted. The 'Participation Options' section includes a legend for required fields (* Indicates Required) and two radio button options: 'Walk Registration - No Fee' (selected) and 'Virtual Walk Registration - No Fee'. The selected option includes a note: 'Although there is no registration fee for this event, we encourage all of our walkers to make a personal donation and raise money for the cause. Raise \$100 or more and receive an official Walk t-shirt.'

Next, set a fundraising goal for yourself. This can be edited later from your Walk participant center.

The screenshot shows the 'Your Fundraising Goal (you can change this later):' section with a text input field containing '\$100.00' and a 'Suggested Goal: \$100.00' label below it.

And then kick off your fundraising by making a donation to your walk. Participants who donate to themselves raise twice as much as participants who don’t, so this is an important step.

The screenshot shows the 'Self Donation' section with radio button options for \$35.00, \$60.00, \$100.00, \$250.00, and \$500.00, each with a brief description of the benefit. There is also an 'Additional Gift' input field and a 'No donation at this time; I will reach my goal by raising funds and/or donating later.' option.

Finally, check off this box if you are going to be captain for your reformed team, and then click next step.

The screenshot shows the question 'Would you like to be the Captain of this team?' with a checkbox labeled 'Yes, make me the Captain of this team'. Below the question are two buttons: 'Previous Step' and 'Next Step'.

Next, you will register for the event.
