

Show Us Your Spirit!

Get into the spirit at the Worcester County Walk To End Alzheimer's by participating in this fun awards program! We will be on the lookout for teams with the Most Team Spirit and Best T-Shirt Design. First and second place prizes will be awarded in each category.

The Most Team Spirit Award will be given to the team with the best cheer, song, outfits, etc.

We will also recognize fabulous t-shirt designs with The Best T-Shirt Award!

Our panel of judges will be watching carefully during the Walk on September 29th, so get your creative juices flowing and show them what you've got!
