[Form Team Again](#)

Once you find your team, click "Form Team Again".

The first step of re-forming your team is registering for the Walk.

If you are going to be at the Walk event, leave the participant type as “Walk Registration”, however, if you can’t make the event but would still like to raise funds to support the Walk to End Alzheimer’s, chose the “Virtual Walk Registration”.

A screenshot of the "Participation Options" section of a registration form. At the top, there is a progress bar with six steps: 1. Get Started, 2. Select Options, 3. Provide Details, 4. Agree to Terms, 5. Review, and 6. Make Payment. Step 2 is currently selected. Below the progress bar, the title "Participation Options" is displayed. A red asterisk indicates required fields. There are two radio button options: "Walk Registration - No Fee" (selected) and "Virtual Walk Registration - No Fee". The "Walk Registration" option includes a description: "Although there is no registration fee for this event, we encourage all of our walkers to make a personal donation and raise money for the cause. Raise \$100 or more and receive an official Walk t-shirt." The "Virtual Walk Registration" option includes a description: "I can't be there in person but want to contribute to the vision of a world without Alzheimer's."

Next, set a fundraising goal for yourself. This can be edited later from your Walk participant center.

A screenshot of the "Your Fundraising Goal (you can change this later):" section. It features a text input field with the value "\$100.00". Below the input field, it says "Suggested Goal: \$100.00".

And then kick off your fundraising by making a donation to your walk. Participants who donate to themselves raise twice as much as participants who don’t, so this is an important step.

A screenshot of the "Self Donation" section. It features a "Your Fundraising Goal (you can change this later):" section with a text input field set to "\$100.00" and "Suggested Goal: \$100.00". Below this, there are five radio button options for donation amounts: "\$35.00", "\$60.00", "\$100.00", "\$250.00", and "\$500.00". Each option has a brief description of the benefits. The "\$100.00" option is selected. Below the radio buttons, there is an "Additional Gift:" text input field and a "No donation at this time; I will reach my goal by raising funds and/or donating later." radio button option.

Finally, check off this box if you are going to be captain for your reformed team, and then click next step.

A screenshot of the "Would you like to be the Captain of this team?" section. It features a checkbox labeled "Yes, make me the Captain of this team". At the bottom of the form, there are two buttons: "Previous Step" and "Next Step".

Next, you will register for the event.

STEPS TO SUCCESS

Make a Personal Donation

Lead by example! Kick-start your fundraising campaign by making a self donation and show your friends you're serious about raising funds to end Alzheimer's. You'll earn a Personal Donation badge on your personal page.

Update Your Personal Page

One of the best ways to get others to support you is to tell a story about why you're walking. Whether it's to honor a person living with Alzheimer's, support a caregiver, or just to have fun with your company or community, write about it on your personal page and share it with others.

Send Emails to Your Contacts

You can use the e-mail tools here in the participant center to import your contacts and send e-mails and track donations you received as a result of your emails. Or, if you'd prefer, you can use your own e-mail client and paste in your personal page URL: http://act.alz.org/site/TR/Walk/AL-AlabamaFloridaPanhandle?px=7599823&pg=personal&fr_id=3110. [Edit your personal URL](#)

Your dollars help us fund programs like TrialMatch(TM) to connect people to clinical trials and power progress in research for better treatments and a cure.

☐ **\$100.00**
Your donation automatically earns you a Walk t-shirt and helps us influence change by engaging elected officials who can fight to make Alzheimer's a national priority.

Your gift allow us to provide resources like AlzConnectedTM, an innovative online tool, to support the more than 15 million caregivers of Americans with Alzheimer's disease.
