Be It Resolved by the Legislature of the State of Idaho:

SOURCE OF DATA COLLECTION.

WHEREAS, some 26,000 Idahoans are currently diagnosed with Alzheimer's disease, and the number is projected to increase significantly through 2025; and

14 WHEREAS, Idaho is projected to have the fifth highest increase in people 15 suffering from Alzheimer's disease among all of the United States over the 16 next several years; and

WHEREAS, Alzheimer's disease is the only major cause of death that has a mortality rate that continues to increase; and

19 WHEREAS, Idaho's mortality rate from Alzheimer's disease is consis-20 tently higher than the national average; and

21 WHEREAS, 41% of Idahoans living in nursing homes have moderate to severe 22 dementia; and

23 WHEREAS, the Idaho Alzheimer's Planning Group has developed a plan to
24 address the problem of Alzheimer's disease and related dementias throughout
25 the state; and

26 WHEREAS, the Idaho State Plan for Alzheimer's disease and related de-27 mentias is designed to help agencies, organizations and individuals develop 28 specific programs and strategies to meet the needs of Alzheimer's patients, 29 their families and caregivers at the state, regional and local levels.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Ses sion of the Sixty-second Idaho Legislature, the House of Representatives and
the Senate concurring therein, that the State of Idaho acknowledges the se riousness of the impact of Alzheimer's disease and related dementias upon
the state and its people.

BE IT FURTHER RESOLVED that the members of the First Regular Session of 35 the Sixty-second Idaho Legislature, the House of Representatives and the 36 37 Senate concurring therein, endorse the Idaho Alzheimer's Planning Group's statewide plan for Alzheimer's disease and related dementias (ADRD) and 38 its recommendations to increase public awareness about ADRD and provide 39 40 information about the disease; to provide ADRD-specific training and education for providers and caregivers; to coordinate support services for ADRD 41 patients, family members and caregivers; to create a positive regulatory 42 and financial environment for addressing dementia related issues; and to 43

1 develop an ongoing source of data collection on the needs of Idaho's ADRD 2 patients, families and caregivers.
