Visit your Participant Center.

Closing the confirmation message will take you to your Participant Center dashboard. In this section you can check your fundraising and edit your goals, find tools and resources, and edit your registration and profile information.

The screenshot shows the 'AMY'S PARTICIPANT CENTER' dashboard. At the top, there are navigation tabs: DASHBOARD, MY PAGE, SEND EMAIL, SOCIAL MEDIA, PROGRESS, CAPTAIN TOOLS, and ALERTS. The main section is titled 'Fundraising Progress' and includes 'My Progress' and 'My Team Progress' with progress bars and goal amounts (\$0 raised vs \$0 goal). Below this, there are buttons for 'DONATE', 'EDIT GOAL', 'VIEW TEAM PAGE', and 'CHANGE'. A message reads 'My Team Captain Amy! You're Awesome! BE THE BEST CAPTAIN YOU CAN BE'. There's a note about T-shirts and a link to 'EDIT T-SHIRT SIZE' and 'EDIT ADDRESS'. A 'Reach Your Goal' section offers four options: 'Fundraise with Facebook', 'Get the Updated App', 'Edit and Share Page', and 'Send Emails', each with a corresponding button.

8

Set up your fundraising page.

From the dashboard, click "My Page." In this section you can create a short link, share your page on social media, and select a 'cover photo' for your page. You can also add your own photo or YouTube video and edit the message that appears on your page.

This screenshot shows the 'MY PAGE' setup area. At the top, 'MY TEAMS PAGE' is highlighted in a red box. Below, the 'YOUR PAGE LINK' section shows a 'VIEW YOUR PAGE' button and a 'CUSTOMIZE YOUR LINK' button. The 'SHARE YOUR PAGE' section includes social media icons for Facebook, Twitter, LinkedIn, and Email, with a 'Connect to Facebook' button. The 'Who Are You Honoring?' section has an 'EDIT HONORARY' button. The 'YOUR PHOTO/VIDEO' section shows a photo upload area with a 'Photo' dropdown, 'EDIT PHOTO', and 'DELETE PHOTO' buttons, along with tips for selecting a photo.

9

Send an email.

Once your page is ready, share it via e-mail. Go to the Send Email tab and view the message templates available to you. Copy and paste a message into a new email from your personal e-mail account – a link to your personal page will be included.

The screenshot shows the 'SEND EMAIL' tab selected. The main heading is 'Send email using your personal account'. Below it, a message template is displayed with a scroll bar. The template text reads: 'Alzheimer's isn't waiting — and neither am I. This year, I'm participating in the Alzheimer's Association Walk to End Alzheimer's® to raise funds and awareness for Alzheimer's care, support and research. Will you support my efforts by making a donation on my fundraising page? Every dollar you donate helps the Alzheimer's Association® provide care and support to those facing Alzheimer's and all other dementias, and advance critical research. I hope you will stand with me in this fight. Together, we can end Alzheimer's.' At the bottom, there are 'COPY THIS MESSAGE' and 'OPEN IN DEFAULT EMAIL' buttons. A small link at the bottom says 'Click to send email through your Participant Center'.

In the Social Media section of your Participant Center, you'll find tips and tools for fundraising on social media, including the option to create a Facebook Fundraiser that will feed into your total for Walk. Not on Facebook? Check out the social scheduling tools to schedule tweets and LinkedIn posts. You'll also find links to install The Walk to End Alzheimer's mobile app, which you can use to text friends and deposit checks directly to your campaign.
