Visit your Participant Center.

Closing the confirmation message will take you to your Participant Center dashboard. In this section you can check your fundraising and edit your goals, find tools and resources, and edit your registration and profile information.

The screenshot shows the 'AMY'S PARTICIPANT CENTER' dashboard. At the top, there are navigation tabs: DASHBOARD, MY PAGE, SEND EMAIL, SOCIAL MEDIA, PROGRESS, CAPTAIN TOOLS, and ALERTS. The main section is titled 'Fundraising Progress' and includes 'My Progress' and 'My Team Progress' with progress bars and goal amounts (\$0 raised vs \$0 goal). Below this, there are buttons for 'DONATE', 'EDIT GOAL', 'VIEW TEAM PAGE', and 'CHANGE'. A motivational message reads 'My Team Captain Amy! You're Awesome! BE THE BEST CAPTAIN YOU CAN BE'. A section titled 'Reach Your Goal' offers four options: 'Fundraise with Facebook', 'Get the Updated App', 'Edit and Share Page', and 'Send Emails', each with a corresponding icon and brief description.

8

Set up your fundraising page.

From the dashboard, click "My Page." In this section you can create a short link, share your page on social media, and select a 'cover photo' for your page. You can also add your own photo or YouTube video and edit the message that appears on your page.

This screenshot shows the 'MY PAGE' setup area. At the top, the navigation bar highlights 'MY PAGE'. The main content is divided into several sections: 'YOUR PAGE LINK' (with a 'VIEW YOUR PAGE' button and a URL), 'SHARE YOUR PAGE' (with social media icons and a 'Connect to Facebook' button), 'Who Are You Honoring?' (with an 'EDIT HONORARY' button), and 'YOUR PHOTO/VIDEO' (with a photo upload area and a 'DELETED PHOTO' button). A tip for selecting a photo is provided at the bottom of the photo section.

9

Send an email.

Once your page is ready, share it via e-mail. Go to the Send Email tab and view the message templates available to you. Copy and paste a message into a new email from your personal e-mail account – a link to your personal page will be included.

The screenshot shows the 'SEND EMAIL' section of the dashboard. It features a 'Send email using your personal account' heading and a sub-heading 'To share your page using your personal email account (Gmail, Outlook, Yahoo, etc.) write your message, paste in a link to your personal page and send to your contacts. Not sure what to write? Copy and paste one of the message templates provided below.' Below this is a table of templates: DONATION REQUEST, FOLLOW-UP, RECRUIT OTHERS, and THANK YOU. A preview of a 'THANK YOU' message is shown, followed by 'COPY THIS MESSAGE' and 'OPEN IN DEFAULT EMAIL' buttons. A small link at the bottom says 'Click to send email through your Participant Center'.

10

Widen your reach with social media.

Social Media is another way to spread the word that you're participating in Walk to End Alzheimer's, and invite others to support you. In the Social Media section of your Participant Center, you'll find tips and tools for fundraising on social media, including the option to create a Facebook Fundraiser that will feed into your total for Walk. Not on Facebook? Check out the social scheduling tools to schedule tweets and LinkedIn posts. You'll also find links to install The Walk to End Alzheimer's mobile app, which you can use to text friends and deposit checks directly to your campaign.

This screenshot shows the 'GET SOCIAL' section. It includes a 'GET SOCIAL' heading, a paragraph about the benefits of social media, and a 'Use the resources below to get social!' section. This section contains four sub-sections: 'CREATE A FACEBOOK FUNDRAISER' (with a 'Connect to Facebook' button), 'SHARE YOUR PAGE' (with a 'Share Your Page' button), 'GET THE APP' (with 'Download on the App Store' and 'GET IT ON Google Play' buttons), and 'SOCIAL MEDIA TAGGING GAME' (with a 'Share Your Page' button). At the bottom, there is a 'SOCIAL FUNDRAISING' section with a 'Send Messages' sub-section containing a 'Send Messages' button and a list of message templates.
