Widen your reach with social media.

Social Media is another way to spread the word that you're participating in Walk to End Alzheimer's, and invite others to support you. In the Social Media section of your Participant Center, you'll find tips and tools for fundraising on social media, including the option to create a Facebook Fundraiser that will feed into your total for Walk. Not on Facebook? Check out the social scheduling tools to schedule tweets and LinkedIn posts. You'll also find links to install The Walk to End Alzheimer's mobile app, which you can use to text friends and deposit checks directly to your campaign.

This screenshot shows the 'GET SOCIAL' section of the Participant Center. It includes a 'GET SOCIAL' heading, a paragraph about the benefits of social media, and several sub-sections: 'CREATE A FACEBOOK FUNDRAISER' (with a 'Connect to Facebook' button), 'SHARE YOUR PAGE' (with a 'Share Your Page' button), 'GET THE APP' (with 'Download on the App Store' and 'GET IT ON Google Play' buttons), and 'SOCIAL MEDIA TAGGING GAME' (with a 'Share Your Page' button). The section is designed to encourage users to leverage social media for their fundraising efforts.
