Visit your Participant Center.

Closing the confirmation message will take you to your Participant Center dashboard. In this section you can check your fundraising and edit your goals, find tools and resources, and edit your registration and profile information.

The screenshot shows the 'AMY'S PARTICIPANT CENTER' dashboard. At the top, there are navigation tabs: DASHBOARD, MY PAGE, SEND EMAIL, SOCIAL MEDIA, PROGRESS, CAPTAIN TOOLS, and ALERTS. The main section is titled 'Fundraising Progress' and includes 'My Progress' and 'My Team Progress' with progress bars and buttons for 'DONATE', 'EDIT GOAL', 'VIEW YOUR PAGE', and 'CHANGE'. Below this, there's a section 'Reach Your Goal' with four icons: 'Fundraise with Facebook', 'Get the Updated App', 'Edit and Share Page', and 'Send Emails', each with a brief description and a button.

8

Set up your fundraising page.

From the dashboard, click "My Page." In this section you can create a short link, share your page on social media, and select a 'cover photo' for your page. You can also add your own photo or YouTube video and edit the message that appears on your page.

This screenshot shows the 'MY PAGE' setup interface. It has a navigation bar with 'MY PAGE' highlighted. The main content is divided into several sections: 'YOUR PAGE LINK' (with a 'VIEW YOUR PAGE' button and a 'CUSTOMIZE YOUR LINK' button), 'SHARE YOUR PAGE' (with social media icons and a 'Connect to Facebook' button), 'Who Are You Honoring?' (with an 'EDIT HONORARY' button), and 'YOUR PHOTO/VIDEO' (with a photo upload area and a 'DELETED PHOTO' button). There are also instructions and tips for each section.

9

Send an email.

Once your page is ready, share it via e-mail. Go to the Send Email tab and view the message templates available to you. Copy and paste a message into a new email from your personal e-mail account – a link to your personal page will be included.

The screenshot shows the 'SEND EMAIL' tab selected. It displays a message template titled 'Send email using your personal account'. The template includes a header with navigation tabs, a title, a short paragraph, a list of four options (DONATION REQUEST, FOLLOW-UP, RECRUIT OTHERS, THANK YOU), a main body of text, and two buttons at the bottom: 'COPY THIS MESSAGE' and 'OPEN IN DEFAULT EMAIL'. A small link 'Click to send email through your Participant Center' is visible below the template.

10

Widen your reach with social media.

Social Media is another way to spread the word that you're participating in Walk to End Alzheimer's, and invite others to support you. In the Social Media section of your Participant Center, you'll find tips and tools for fundraising on social media, including the option to create a Facebook Fundraiser that will feed into your total for Walk. Not on Facebook? Check out the social scheduling tools to schedule tweets and LinkedIn posts. You'll also find links to install The Walk to End Alzheimer's mobile app, which you can use to text friends and deposit checks directly to your campaign.

This screenshot shows the 'GET SOCIAL' section. It features a navigation bar with 'GET SOCIAL' highlighted. The main content includes: 'CREATE A FACEBOOK FUNDRAISER' (with a 'Connect to Facebook' button), 'SHARE YOUR PAGE' (with a 'Share Your Page' button), 'GET THE APP' (with 'Download on the App Store' and 'GET IT ON Google Play' buttons), 'SOCIAL MEDIA TAGGING GAME' (with a 'Share Your Page' button), and 'SOCIAL FUNDRAISING' (with a 'Send Messages' button). There are also descriptive paragraphs and icons for each section.
