ALZHEIMER’S ISN’T STOPPING. NEITHER ARE YOU.

Join us for the Alzheimer’s Association Walk to End Alzheimer’s®, the world’s largest fundraiser to fight the disease. Each year, people in more than 600 communities raise funds and awareness to advance the care, support and research efforts of the Alzheimer’s Association®.

Your health and safety are our top priorities. We’re moving forward with plans to host in-person events this fall, but understand some people may not feel comfortable attending. That’s why we’re also offering options to participate online and in your neighborhood. If you choose to Walk From Home, you can still engage in many Walk-day experiences through our website and mobile app, including:

- A pre-recorded Opening and Promise Garden Ceremony
- An augmented reality (AR) Promise Garden* that allows you to select a flower representing your connection to the disease and plant it among others
- A route map to track your at-home Walk, including AR start and finish lines*

Your participation — in-person or from home — makes a difference in the lives of those facing Alzheimer’s today and in the future. Together, we can end Alzheimer’s.

Register today at alz.org/walk.

For more information about the Walk From Home experience, visit the FAQ page on alz.org/walk.
*AR experiences are only available through the mobile app.
