

**The Alzheimer's Association Rhode Island Chapter**  
**Annual Brian R. Ott, MD Research Symposium with Guest Speaker**

**Joshua D. Grill, PhD**

**“The science of Alzheimer's disease clinical trial recruitment”**

**Thursday, December 3, 2020**

**5:30pm Opening Remarks; 6:00 – 7:30 pm Presentation**

Learning Objectives: At the conclusion of this event, participants should be able to:

- Distinguish the effects of currently available therapies from those in development
- Name the main barriers to efficient accrual in Alzheimer's disease clinical trials and describe the need for an evidence base of recruitment science in Alzheimer's disease clinical trials
- Recognize the scientific and ethical implications of recruitment success in Alzheimer's disease clinical trials.

This activity has been planned and implemented in accordance with the Accreditation Criteria and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Rhode Island Hospital and the Alzheimer's Association Rhode Island Chapter. Rhode Island Hospital is accredited by the ACCME to provide continuing medical education for physicians.

Rhode Island Hospital designates this live activity for a maximum of *1.5 AMA PRA Category 1 credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

Physician Assistants/Nurse Practitioners: Participants will receive a certificate of attendance stating this program is designated for *1.5 AMA PRA Category 1 credit(s)*™. This credit is accepted by the AAPA and AANP.

Risk Management credit: This program satisfies the one hour (1) of instruction on the diagnosis, treatment and care of patients with cognitive impairments including but not limited to, Alzheimer's disease and dementia to chapter 37 of title 5 which must be met no later than October 1, 2021.
