### Upcoming Training Opportunity Space is Limited!

Do you know about all of the exciting training opportunities available to you from the Alzheimer's Association Greater PA Chapter this spring? It's not just the educational conference! For the first time, we are offering an exclusive Train the Trainer program to our Healthcare Partners. This program will train someone from your organization to provide up to 13 hours of instruction to all of your staff. This is a honed and vetted training program on dementia care, courtesy of the Alzheimer's Association! Now might be the time to become a Healthcare Partner!

For more information, go to [act.alz.org/trainthetrainerSWPA](http://act.alz.org/trainthetrainerSWPA) or contact Amy Dukes at [adukes@alz.org](mailto:adukes@alz.org).

Don't miss out on this opportunity!

Lutheran  
SeniorLife

LIFE, VNA of Western PA, St John Community and Passa-

## Making Meaningful Connections

Registration opens at 8am, program 8:45-4:30

### 'Socialceuticals': A prescription for relationship-based care in our aging communities. Presented by Dr. Daniel R. George, M.Sc. Ph.D., Penn State College of Medicine

- Describe how those affected by cognitive decline can still enjoy meaningful relationships and purposeful contribution
- Examine how "socialceuticals" in local communities can provide relationship-centered care for those persons/patients who are affected by dementia and their caregivers
- Share and model innovative approaches in dementia care (such as the TimeSlips creative storytelling project) that participants can apply in their communities to better serve persons with dementia

### Research Update presented by Dr. Jennifer Lingler, PhD, CRNP, Alzheimer's Disease Research Center

- Discuss the latest Alzheimer's disease research

### Connecting Through Music– The Role of Music Therapy, presented by Jessica Mull, MT-BC, Mull Music Therapy

- Gain knowledge of the basic differences in utilizing a music therapy program versus other music entertainment or music listening programs
- Learn about typical goal areas addressed through music therapy
- Learn about tips for setting up an effective music therapy program at a facility

### Moving with Care - Supporting individuals with dementia in relocation. Presented by Roxann Tyger and Judy McClelland, Life Transitions

- Understand the relocation process and Relocation Stress Syndrome
- Learn valuable tips for addressing issues and barriers in the relocation process
- Gain some resources and tools to assist with relocation

### The Power of Pet Therapy, presented by Lauren Rimkus, MA, Animal Friends Therapets

- Learn about the basic history of pet therapy and gain an understanding of how this service has changed dramatically in recent years.
- Identify a minimum of 5 clinically researched benefits of the human-animal bond as often demonstrated through pet therapy.
- Learn the different parties who benefit from pet therapy including the volunteer, the animal, the caregivers, the individuals receiving the visit.
