

Alzheimer's Association Greater New Jersey Chapter Webinars

Join us for our APRIL-MAY 2022 series of virtual programming.

Registration is required. Click a registration link below or call 800.272.3900 to be able to attend by phone or computer.

For more information about Alzheimer's Association programs and services, contact the 24/7 Helpline at 800.272.3900. E-learning is available on demand at alz.org/education.

Tuesday, April 5 — Understanding and Responding to Dementia-Related Behavior

Behavior is a powerful form of communication and is one of the primary ways people living with dementia communicate their needs. However some behaviors can present challenges for caregivers to manage. Join us to learn to decode behavioral messages, identify common triggers and learn strategies to help manage some of the most common behavioral challenges of dementia. In partnership with COPSA-Rutgers.

2-3 p.m. — <https://action.alz.org/mtq/79550623>

Wednesday, April 6— 10 Warning Signs of Alzheimer's

This program will help people recognize common signs of the disease. We'll explore typical age-related changes, explain the importance of early detection and the benefits of diagnosis, and identify helpful Alzheimer's Association resources. In partnership with Sunnyside Manor.
