

We're Not Finished Yet . . .

Walk Day may have passed, but our fight to end Alzheimer's is not finished yet!

The Howard County Walk to End Alzheimer's Committee invites you to compete in our 1st Annual Holiday Tree Decorating Contest.

To enter, decorate a holiday tree, snap a photo, give your tree a title, and write a brief description of what this tree means to your community/ family/ business. Then, email your submission to: geshifflett@alz.org

Voting will be done online through fundraising. The tree that raises the most will be our winner. The winning tree team will receive a fun trophy, filled with lots of surprises and will be theirs to keep until next year!

Contest Rules:

To participate, tree photos and descriptions can be submitted to Gabrielle Shifflett starting Monday, November 11th. The contest will run until midnight on December 20th. If by Dec. 16th you notice donations are missing or you have checks in transit, please let us know so they can be counted!

The theme for this year is *Memories of Holidays Past*

When decorating, please try to keep in mind the theme and add some purple where you can! Participants are encouraged to get creative and incorporate your whole team. Do a Ravens tree full of old game photos of staff. Maybe a Holiday tree with your family's favorite holiday photos or memories. However you celebrate whatever you celebrate, we can't wait to see it!

To win the coveted trophy, your team will need to promote your tree whenever possible. Include the link to vote in a newsletter, send out the link to vote for your tree to your community, workplace, etc. and encourage others to do the same. The more the merrier when it comes to raising awareness and funds!

Please refrain from any decorations that may be seen as controversial, political, or include profanity. The goal for this contest is a fun, light fundraiser to get in the holiday spirit!
