

JOIN THE WALK TO END ALZHEIMER'S WALK PLANNING COMMITTEE

Are you interested in being part of The Walk to End Alzheimer's event? Are you interested in helping spread awareness and build strong partnerships in the Jackson area? Join us as part of the Walk to End Alzheimer's Jackson Committee!

The Alzheimer's Association Walk to End Alzheimer's is the nation's largest event to raise awareness and funds for Alzheimer's care, support and research. It's a one day event that gathers hundreds of community members who all want to see the same thing; a World without Alzheimer's. We need your help to make this event great!

Together, we can end Alzheimer's disease, the nation's sixth-leading cause of death. Committee members are the heart of the event, planning everything from the kick off to the wrap up. Some members focus on growing the event by recruiting teams and sponsors, others coordinate logistics and some work on promoting the event in the community. There is a role for everyone!
