Welcome to the Walk Family!

The Lorain County Walk brings together hundreds of individuals, companies, and groups in a unified goal to find Alzheimer's first survivor. Whether we are together at a large in-person gathering or in small groups in our individual neighborhoods, the funds you raise through Walk to End Alzheimer's help the Alzheimer's Association to continue to be there for families facing Alzheimer's and all other dementia. Every dollar counts.

The pandemic has magnified the urgency of our mission. The Alzheimer's Association converted its programs and services to a virtual format in order to provide care and support safely, as these services are more important than ever. **Alzheimer's isn't stopping and neither are we.**

We would like to welcome you to the Lorain County Walk to End Alzheimer's and extend our heartfelt thanks. It is because of you that we are one step closer to our vision: a world without Alzheimer's and all other dementias!
