

MEMORY DAY

MAKE A DIFFERENCE IN OHIO

Join Your Voice With Ours at the Ohio Statehouse
Wednesday, April 20, 2016

Speak out for those who no longer can

Memory Day is an annual event for citizens of Ohio to gather at the Statehouse in Columbus to meet with legislators and raise awareness for the needs of individuals and their families coping with memory loss and Alzheimer's disease.

Coordinated by chapters of the Alzheimer's Association across the state, Memory Day offers you the opportunity to be part of an organized effort to be heard by our elected officials.

- Enjoy a complimentary luncheon and speaker at 11:30 am in the Statehouse Atrium, and meet others who share your concern.
- Free bus transportation to Columbus.
- All legislative meetings are scheduled for after lunch. Participants are organized into groups and training is provided.

Advocates from the Cleveland Chapter on Memory Day 2015

OUR PRIORITIES

- Ensure that state Alzheimer's respite funding will accommodate the growing need for programs and services provided by the Alzheimer's Association in Ohio
- Strengthen advocacy efforts through collaborations/partnerships
- Ensure that Ohio Council of the Alzheimer's Association plays a more prominent role in all future health care decisions in Ohio

Meet with legislators to ensure they make Alzheimer's care a priority and continue to support vital programs.

Join us as we honor Kenneth Bravo, a longtime advocate, with the Sharen Eckert Leadership in Advocacy Award.
