

September 5 ~ 11, 2021

Let everyone you know that
your business or community
organization is supporting

Walk to End Alzheimer's

This is the time to let our community know that you are supporting the Walk to End Alzheimer's by decorating the front of your home and business with purple. Encourage your staff and Walk Teams to wear purple to work. Get creative with fundraising and awareness during this week of Paint the Town Purple.

For ideas and support contact your local Walk Manager at 419-537-1999 or email nwohiowalk@alz.org.
