

SIX WAYS TO GET STARTED

Now that you've registered for the Alzheimer's Association Ride to End ALZ[®], it's time to get started on your journey to fundraising success. The money you raise will go toward the Association's efforts to discover methods of treatment and prevention for Alzheimer's disease.

1. Log in to your Ride Hub.

Visit alz.org/ride and log in to your Ride Hub (upper right-hand corner of the page) with the username and password you set during registration.

2. Update your fundraising webpage.

From your Ride Hub, update your personal fundraising webpage. Include a story and photos that explain why you are participating in Ride to End ALZ.

3. Send fundraising emails.

Share your fundraising page by using our prewritten email templates. Simply send emails directly through Ride Hub or copy and paste the templates into your personal email account — then watch the donations roll in!

4. Visit the Ride to End ALZ Facebook Group.

Join our official Ride Facebook Group to connect with fellow participants, share fundraising ideas and more.

5. Discover great tools.

Ride Hub also has resources to help you meet — and exceed — your fundraising goal, like our comprehensive Fundraising Guide.

6. Use social media.

Share why you're participating on Facebook, Twitter, Instagram and LinkedIn. Post the link to your fundraising page and ask for donations — your request could go viral! Use [#Ride2EndALZ](#) and [#ENDALZ](#).
