

DOUBLE YOUR IMPACT WITH A MATCHING GIFT.

The Longest Day® is the day with the most light — the summer solstice. And it's the day the Alzheimer's Association® calls on everyone to fight Alzheimer's disease by raising funds and awareness for care, support and research.

Many companies have matching gift programs that will double or even triple employees' and retirees' charitable contributions to organizations such as the Alzheimer's Association. Some even provide volunteer grants for employee service hours.

A matching gift is an easy way to make an even greater impact in the fight against Alzheimer's disease.

1. Visit alz.org/tldmatch and search for your company.
2. If your company participates, enter your contact information to receive an email with application instructions from Amply, our matching gift partner.
3. Once a matching gift is received and processed by the Alzheimer's Association, the donation will be credited to the specified participant, team or event.

Feel confident knowing that your gift to the Alzheimer's Association is going twice as far to advance Alzheimer's care, support and research.

Visit alz.org/tldmatch or contact your human resources department to learn more.

Companies that match donations to the Alzheimer's Association

The following is a partial list of companies that match employee donations to the Association. Matching gift programs are subject to change. Check with your human resources department for the most up-to-date information.
