

DOUBLE YOUR IMPACT WITH A MATCHING GIFT.

Many employers sponsor matching gift programs and will provide matching charitable contributions for donations made by their employees. Some companies also provide volunteer grants for employee service hours.

Seeking a company matching gift is an easy way to double, or even triple your donation to the Alzheimer's Association®, making an even bigger impact on the fight against Alzheimer's disease.

1. When you donate to your local Walk to End Alzheimer's®, search for your company under the Matching Gifts section of the online form. Once your donation is complete, you'll receive an email with instructions on how to submit a matching gift request through your employer.
2. If you've already donated, you can visit alz.org/walkmatch to search for your company and find next steps to submit a matching gift request through your employer.
3. Once a matching gift is verified (if requested) or received and processed by the Alzheimer's Association, the donation will be credited to the specified Walk participant, team or event.
4. Feel confident knowing that your gift to the Alzheimer's Association is going even further to advance Alzheimer's care, support and research.

See next page for a sampling of companies that match donations to the Alzheimer's Association. Visit alz.org/walkmatch or contact your human resources department to learn more.
