

DOUBLE YOUR IMPACT WITH A MATCHING GIFT.

Many employers sponsor matching gift programs and will provide matching charitable contributions for donations made by their employees. Some employers also provide volunteer grants for employee service hours.

A matching gift is an easy way to double your donation to the Alzheimer's Association®, making an even bigger impact on the fight against Alzheimer's disease.

1. Visit alz.org/walkmatch and search for your company.
2. If your company participates, enter your contact information to receive an email with application instructions from Amply, our matching gift partner.
3. Once a matching gift is received and processed by the Alzheimer's Association, the donation will be credited to the specified Walk participant, team or event.
4. Feel confident knowing that your gift to the Alzheimer's Association is going twice as far to advance Alzheimer's care, support and research.

See reverse for a sampling of companies that match donations to the Alzheimer's Association. Visit alz.org/walkmatch or contact your human resources department to learn more.

While the following companies match employee donations to the Association, matching gift programs are subject to change. Check with your human resources department for the most up-to-date information.
